

Family Tree Project

Dear Parents,

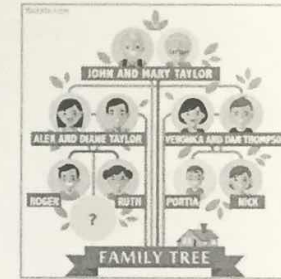

Our Social Studies unit this month is a focus on families, family history and diversity. It is very, interesting, informative and fun. Your child will answer the following questions:

What is a family?

People have families to help meet their needs. What are the basic human needs?

How do people meet these needs and how has this changed over time?

How are families similar or different?

To celebrate our unit we are asking that each child complete a fun, family project with your help. Each child is asked to create their own family tree dating back to their grandparents. See examples on teacher webpages for your reference. You may replicate one or create your own. We are asking your child to get creative! Feel free to have them use all sorts of materials (paint, glitter, tissue paper, photos, posterboard, etc.) and of course their imagination to design their family tree to be as unique as can be. We are planning on displaying them outside our classrooms for all to enjoy.

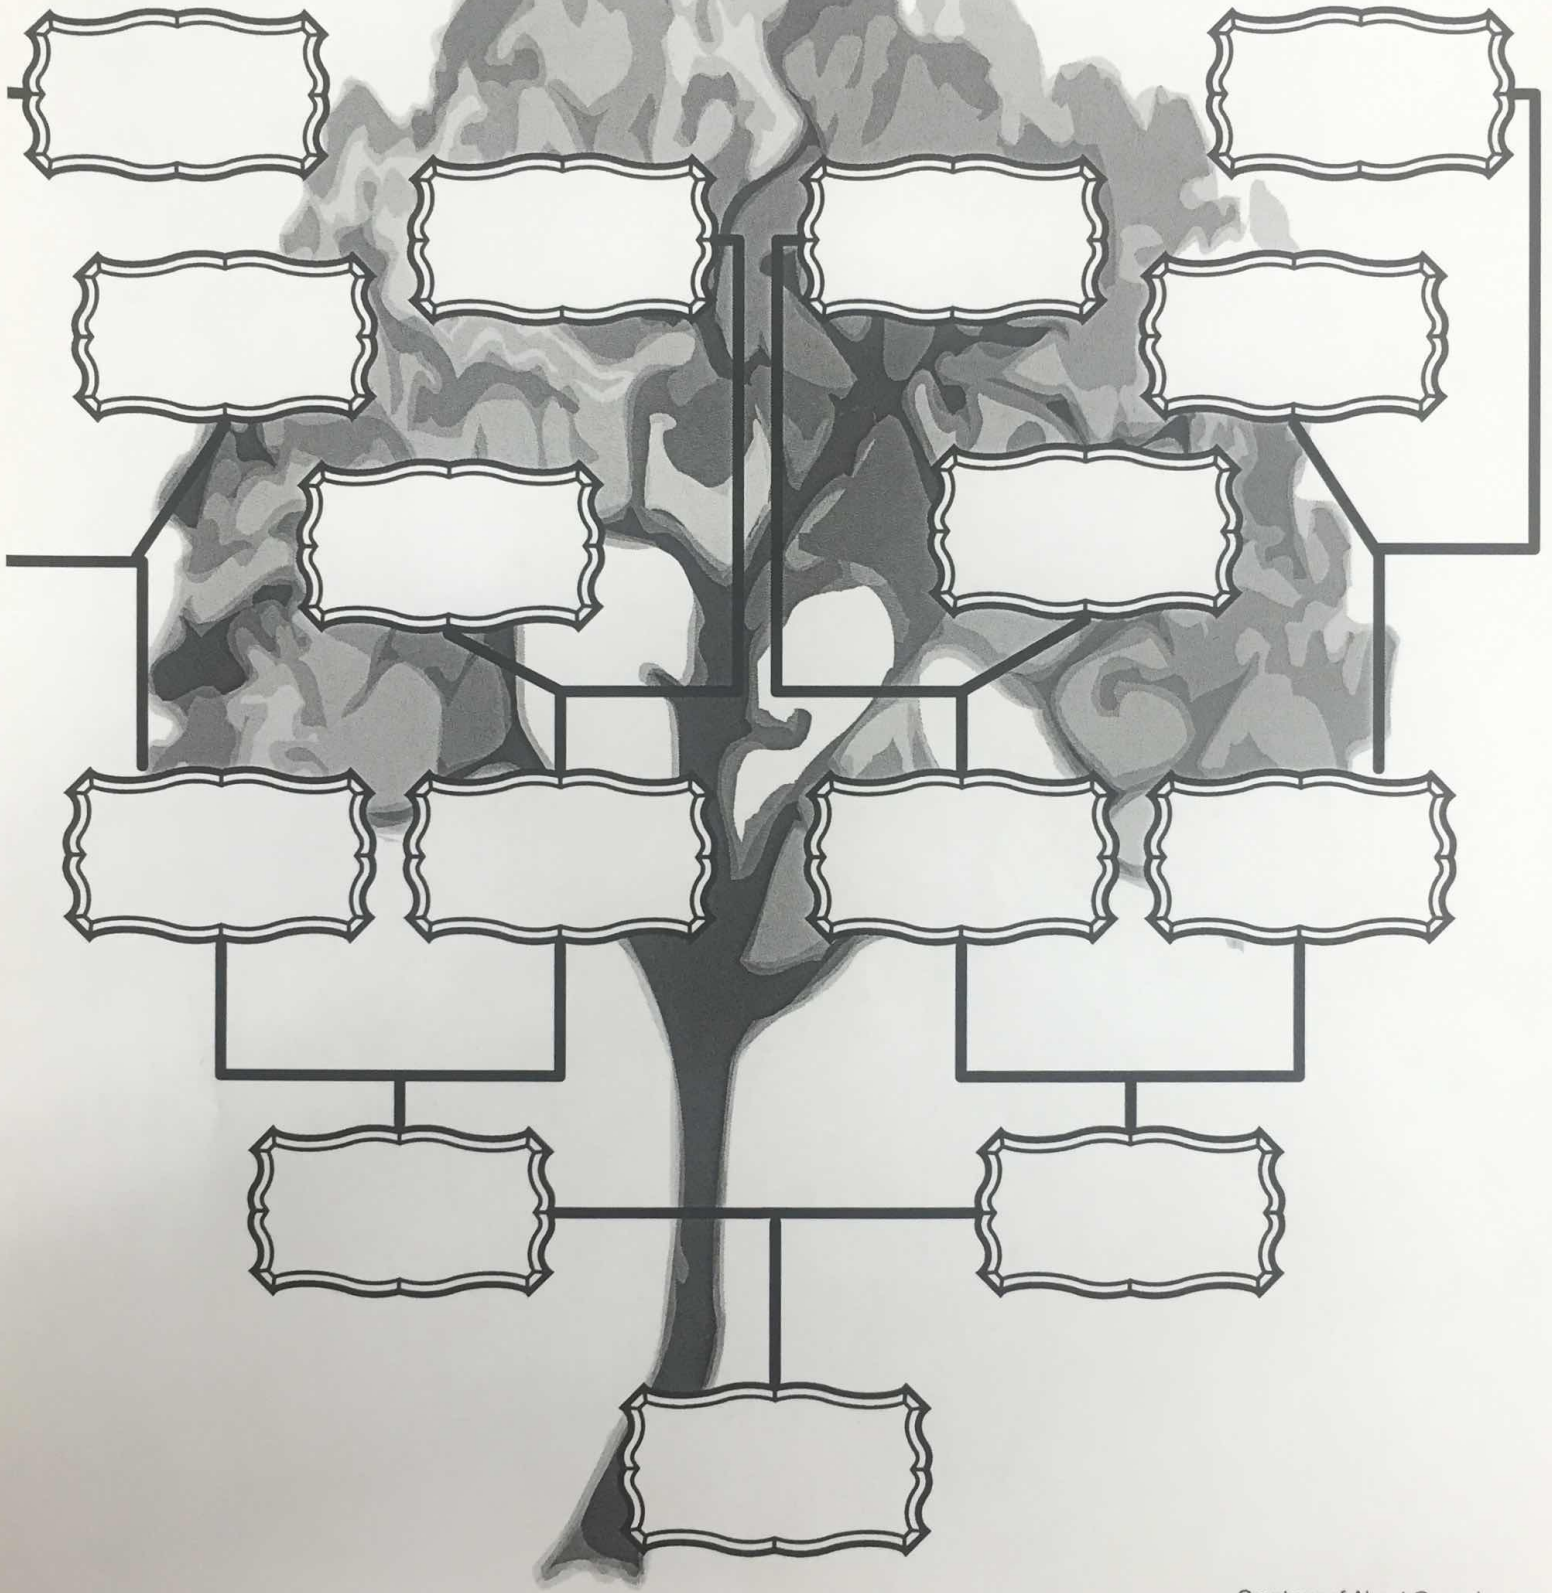

Completed projects must be sent in on or before: **Monday, September 26, 2016**

Thank you for your help regarding this matter.

Sincerely,

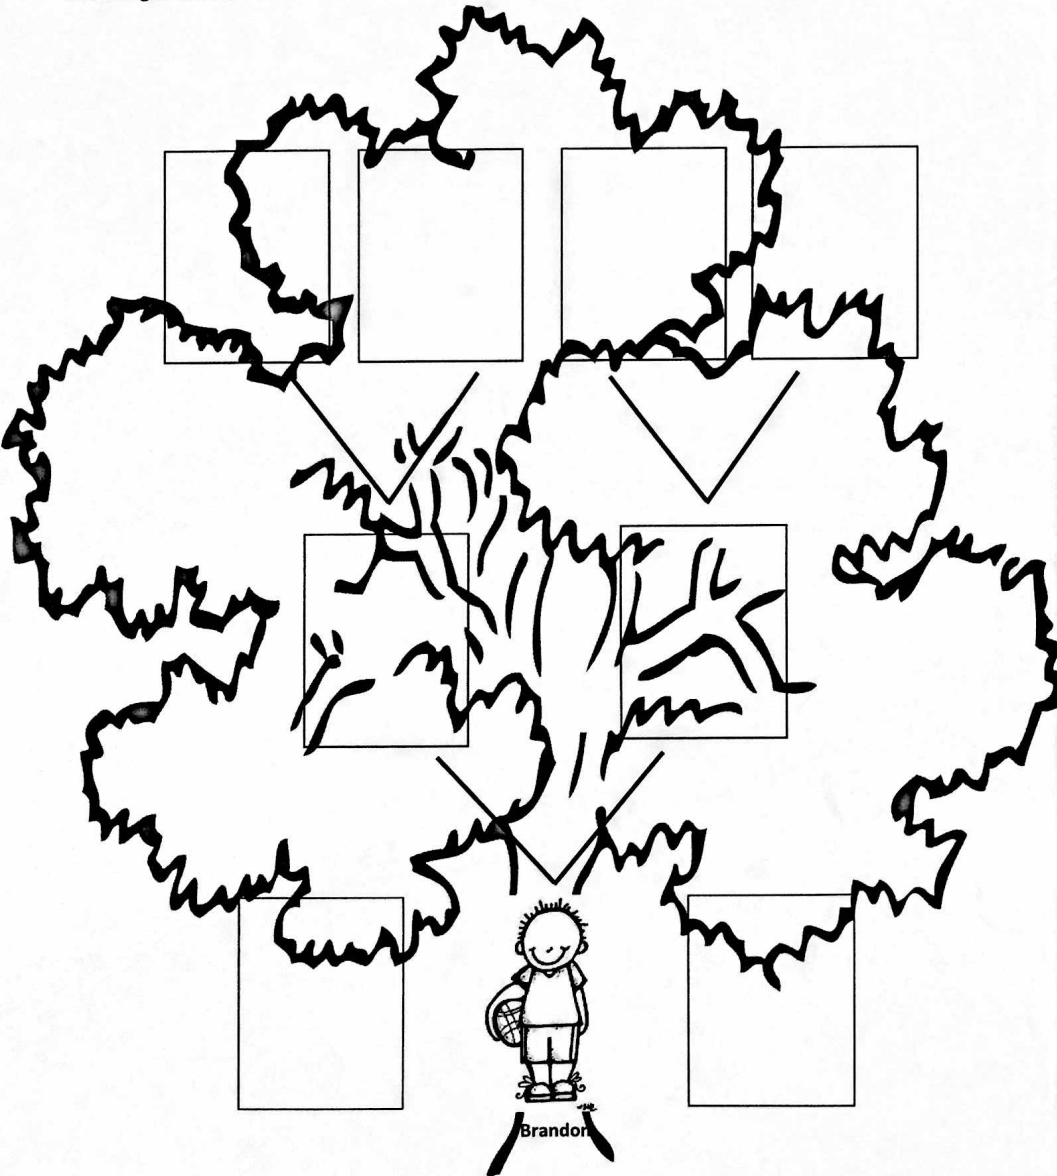

The First Grade Teachers
